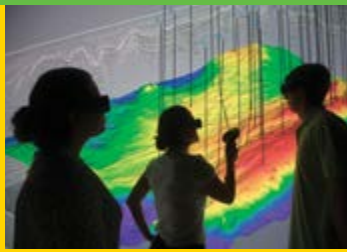
OTC BRASIL 2017

AN EVENT ORGANIZED BY IBP AND OTC

24–26 October 2017
Riocentro, Rio de Janeiro, Brazil



Transforming Today to Power the Solutions of Tomorrow

OTC EVENTS WORLDWIDE

Become an integral part of OTC's tradition of excellence showcasing your company's products and services at OTC Brasil 2017.

Brought to you by the Offshore Technology Conference (OTC) and the Brazilian Petroleum, Gas and Biofuels Institute (IBP), the OTC tradition of technical excellence returns to Brazil. The conference will feature a leading technical program on the environmental licensing for offshore projects, and the oil price scenarios perspectives and what they mean for Brazil.

Join E&P leaders from major IOCs, NOCs and independent operators to share their perspectives and forecast on investment in the Brazilian market.

"This is a very important event for the industry, not only in Brazil, but around the world. The conference is an ideal venue to share technical expertise and best practices."

— OTC Chairman, Joe Fowler

Reasons to exhibit, sponsor and advertise at OTC Brasil:

- Position your company at the forefront of the offshore development in Brazil
- Receive unprecedented exposure for your company's technologies and services
- Opportunity to generate more sales leads and launch new products
- Prominent recognition in the conference program and conference website
- Exchange ideas and expertise with industry innovators and be a part of their dialogue
- Knowledge sharing sessions that allow you to engage with authors and industry leaders

Choose your options today! For details, visit go.otcbrasil.org/2017.

AUDIENCE PROFILE

Having deepwater experts gathered at OTC Brasil will enable an exchange of ideas to advance scientific and technical knowledge for offshore resources and environmental matters.
