24-27  
SEP\_2018  
Pavilion 3  
Riocentro - RJ

## BE A SPONSOR

Highlight your company's brand in the event that will promote the debate about the impact of technological megatrends on oil and gas industry.

Which are these trends? How will they affect our market? What challenges can we overcome with technology support? Which regulatory policies could make it possible to go forward on this field? Will technology impact the professional careers for this sector?

These and other topics will be addressed over 4 days from the perspective of multiple players, agents and experts. It is an unique opportunity for your company to showcase its solutions and feature along.

**O&G TechWeek. Connect your brand to the future of our industry.**
