

**OTC BRASIL 2017**  
AN EVENT ORGANIZED BY IBP AND OTC

**Transforming Today to Power the Solutions of Tomorrow**  
24-26 October 2017 • Rio de Janeiro • [go.otcbrasil.org/offshoresolutions](http://go.otcbrasil.org/offshoresolutions)

**Be part of the OTC tradition of technical excellence at OTC Brasil.**

*“OTC Brasil continues to play an important role in the discussions of technologies for complex oil and gas accumulations, and to the exchange of ideas which advance scientific and technical knowledge for offshore resources and environmental matters.”*

**Felipe Matoso, Petrobras**  
OTC Brasil 2017 Program Committee Chairperson

*“Following OTC Brasil in October, Brazil will have its second and third pre-salt bid rounds—the country’s first since the 2013 pre-salt licensing round.”*

**Fernando Coelho**  
Brazil’s Minister of Mines and Energy
