

OTC BRASIL 2017

AN EVENT ORGANIZED BY IBP AND OTC

Transforming Today to Power the Solutions of Tomorrow

24-26 October 2017 • Rio de Janeiro • go.otcbrasil.org/offshoresolutions

OTC Brasil presents lucrative offshore opportunities in the region.

"This year OTC Brasil will be marked by the optimism of companies who can benefit from the positive changes in Brazil's regulatory environment."

João Carlos de Luca, Barra Energia
IBP General Chairman

"Following OTC Brasil in October, Brazil will have its second and third pre-salt bid rounds—the country's first since the 2013 pre-salt licensing round."

Fernando Coelho
Brazil's Minister of Mines and Energy

OTC Brasil is sponsored and endorsed by 15 engineering and scientific organizations.

Thanks to our Master Sponsor

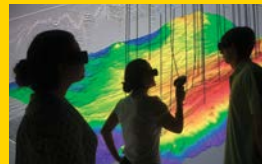

Join Petrobras executives to learn about Brazil's licensing pre-salt rounds, market access, fiscal terms, and resources offering the most productive return on investment.

Discover the benefits from Brazil's regulatory changes.
